WARM GREETING

Shambhunath Research Institute of Medical Sciences & Hospital warmly welcomes you to the 1st National Conference – 2026 on “Transforming Nursing Practice Through Innovation, Technology, and Leadership”, a vibrant platform for innovation, collaboration, and excellence in healthcare. This national forum aims to promote academic excellence, knowledge exchange, and innovation in healthcare and nursing practice. We wish all delegates a meaningful, enriching, and successful conference experience.

ABOUT THE INSTITUTION

Shambhunath Research Institute of Medical Sciences and Hospital (SRIMSH) is a premier institution committed to excellence in nursing education, healthcare research, and quality patient care. Established in 2021, SRIMSH has rapidly evolved into a center of excellence, dedicated to developing competent, compassionate, and professionally skilled nursing graduates capable of meeting the dynamic challenges of the healthcare sector.

The institute provides a robust academic environment supported by experienced faculty, modern teaching methodologies, and state-of-the-art infrastructure. Emphasis is placed on evidence-based practice, ethical standards, and holistic patient care to ensure students acquire both theoretical knowledge and practical clinical skills. SRIMSH integrates classroom learning with extensive clinical exposure through its affiliated teaching hospital, enabling students to gain real-world experience in diverse healthcare settings.

In addition to education, SRIMSH actively promotes healthcare research and innovation, encouraging faculty and students to engage in research activities that contribute to the advancement of nursing science and improved patient outcomes. The institution fosters a culture of continuous learning, leadership, and professional development, preparing nursing professionals to serve effectively in hospitals, community health settings, academic institutions, and research organizations.

ABOUT THE CONFERENCE

The conference, “Transforming Nursing Practice Through Innovation, Technology, and Leadership”, aims to explore how modern advancements are reshaping the field of nursing.

It will focus on:

Innovation in Nursing: Introducing creative strategies and solutions to enhance patient care and healthcare delivery.

Technology Integration: Leveraging digital tools, telehealth, AI, and smart healthcare systems to improve nursing practice.

Leadership Development: Empowering nurses to take on leadership roles, drive change, and influence policy in healthcare settings.

This conference provides a platform for nurses, researchers, and healthcare professionals to share knowledge, collaborate, and discuss emerging trends that are shaping the future of nursing.

Transforming Nursing Practice Through Innovation, Technology, and Leadership” is a premier platform where nursing meets the future. Explore cutting-edge innovations, harness the power of technology, and ignite your leadership potential to redefine patient care and healthcare excellence. Join thought leaders, innovators, and professionals as we shape the next era of nursing together!

OBJECTIVE OF THE CONFERENCE

- To create a dynamic platform for exchanging innovative ideas, research findings, and best practices
- To strengthen academic excellence and promote quality research
- To encourage interdisciplinary and professional collaboration at national and international levels
- To enhance knowledge, skills, and professional competencies of participants
- To discuss emerging challenges, innovations, and future directions in the field
- To inspire leadership, critical thinking, and lifelong learning among professionals

WHO SHOULD ATTEND?

- Nursing Faculty and Students
- Research Scholars
- Professionals from Nursing Science & Other Health Professionals

ABSTRACT SUBMISSION GUIDELINES

1. Abstract Presentation Details

- **Title:** Concise, informative, and reflective of the study.
- **Authors & Affiliations:** Full names, institutional details, and contact information of all contributors.
- **Body:** Structured into IMRD
 - **Introduction:** Brief context and rationale.
 - **Methods:** Study design, participants, tools, or procedures.
 - **Results:** Key findings (avoid tables/figures unless permitted).
 - **Discussion:** Significance, implications, or recommendations.
- **Keywords:** 5–6 relevant terms for indexing.

2. Poster Presentation Details

- **Dimensions & Layout**
 - **Size:** Commonly 36" (width) × 48" (height) { 3ft x 4ft} in portrait orientation.
 - **Sections:** Title → Authors → Introduction → Methods → Results → Conclusion → References/Acknowledgments.
 - **Flow:** Arrange content in columns (left to right, top to bottom) for easy navigation.

3. Formatting Requirements

- **Word Limit:** 150–300 words (strictly enforced).
- **Font & Style:** Times New Roman 12-point, single spacing.
- **Language:** Clear, concise, free of jargon; standard scientific English.
- **Structure:** Follow the conference template.

4. Submission Process

- **Mode:** Submit via the official email or as instructed.
- **Deadline:** Abstracts must be submitted before the announced deadline; late entries are not accepted.
- **Ethics:** Ensure compliance with ethical standards (IRB approval if applicable).
- **Review:** Abstracts will be peer-reviewed; acceptance will be notified by email.

5. Presentation Details

- Indicate preference for oral or poster presentation.

Important Notes

- The presenting author must ensure that all co-authors are aware of the abstract content and agree to the submission.
- Only the presenting author will receive the certificate.
- The abstract must be carefully proofread for typographical, grammatical, and syntax errors.
- No separate payment is required for the submission of the abstract.

The final decision rests with the scientific committee.

Important Dates : Last date for submission of abstract: 10/02/2026

Announcement of selected abstracts for final presentation: 12/02/2026.

Full Paper Submission: 15/02/2026
