SHAMBHUNATH

RESEARCH INSTITUTE OF MEDICAL SCIENCES & HOSPITAL

Jhalwa, Prayagraj, U.P.

WELCOME TO SRIMSH

Shambhunath Research Institute of Medical Sciences and Hospital (SRIMSH), established in 2021, is committed to excellence in nursing education, healthcare research, and quality patient care. The institution strives to develop competent, compassionate, ethical, and professionally responsible nursing graduates equipped to serve individuals, families, and communities.

VISION

To emerge as a distinguished institution in nursing education and healthcare innovation by developing compassionate healthcare professionals, responsible leaders, and lifelong learners committed to improving health and well-being at the global level.

MISSION

- To deliver quality nursing education through innovative teaching and experiential learning.
- To foster research, innovation, and evidence-informed nursing practice.
- To nurture compassion, ethical values, professional integrity, and accountability among students.
- To strengthen community health through meaningful outreach and community-based initiatives.
- To develop confident and competent nursing professionals capable of responding effectively to evolving healthcare needs.

OBJECTIVES OF THE MANDATORY MODULES

The Mandatory Modules are designed to develop essential clinical competencies and professional attributes among nursing students through structured learning and practical training. The modules aim to:

- 1 Develop proficiency in essential nursing procedures and clinical skills.
- 2 Strengthen clinical knowledge and promote its effective application in patient care.
- 3 Foster ethical practice, professional responsibility, and respect for patient rights.
- 4 Enhance preparedness for emergencies, risk management, and patient safety.
- 5 Integrate theoretical knowledge with practical and clinical experiences.
- 6 Develop effective communication, teamwork, leadership, and critical-thinking abilities.
- 7 Promote confidence, competence, and accountability in clinical practice.
- 8 Encourage safe, compassionate, holistic, and evidence-informed nursing care.

WORKSHOP
